LeRoy Bergman (2011)
Nancy Port (2011)
Sue Seaton (2011)

PROGRAM – Bruce Thomsen discussed some of the issues raised in the Club Survey. Of particular note is the fact that we are going to shorten up the meeting to 7:15 a.m. and hopefully you will not leave prior to that time unless you really need to. I am sure that some of us have developed a habit of leaving as soon as the program is introduced regardless of what time that might be. The consensus of the group was that if it was agreed to end the meeting by 7:15 a.m. you could stay that long unless there was some compelling reason to leave earlier. At least we all need to make an effort to do so.

MEMBER NEWS – Birthday greetings go out next week to Nancy Port, who celebrates on the 3rd.
